News from the STA Mass communities:

7:15 Daily Mass: Worshipping at this Mass is a blessed way to start the day. Stay on for personal prayer time as the church remains open until the 12:15 daily Mass.

7:30 Sunday Mass: Fr. John Hester is celebrating this Mass as usual each week.

8:45 Sunday Mass: New music minister Taber Dullea will be providing song and piano leadership twice a month or more. The congregation is grateful for his presence.

10:30 Sunday Mass: Charlotte Gross, sacristan, is sincerely inviting potential lectors or sacristans to step forward to help at this Mass. Don't be shy!

12:00 Sunday Mass: Enjoy hearing and singing Gregorian chant each week.

12:15 Daily Mass: The church is open all morning before this noon Mass, except on Saturdays.

Garden is composted and mulched:

Thanks to Vicki Sullivan's leadership and support from the parish for materials, the grounds around St. Thomas Aquinas church on September 17 were prepared with water, and then compost and mulch were spread under all the plantings.

Vicki engaged two day workers from Redwood City—Giovanni and Carlos—who were of invaluable help—loading compost and mulch into wheelbarrows and spreading it in every planting area. Jenna Hickey, a member of the STA Youth group, was drafted by Chris Mardesich, our parish Youth Minister, and also brought youthful energy, a strong back and willing spirit to the morning's work. In addition,

volunteers included Larry Sullivan, Terry Atkinson, Helen Baumann, Bob Foley, John Schniedwind, Lara Vaserman and Kay Williams. Refreshments of ice water, lemonade, bagels, cream cheese and fruit kept everyone going during the 3 hours of labor.

Larry Sullivan, Helen Baumann, Giovanni, and John Schniedwind take a break.

Many thanks to all who volunteered. Gardens are always in process, so there will be another chance in the spring to help again.

Bob Foley, Vicki Sullivan, Jenna Hickey, and John Schniedwind finishing up.

Ballot propositions with coffee and doughnuts October 2 (today):

Get your head around the propositions on the California ballot on Sunday, October 2, when the League of Women Voters will present an overview from 10:00—11:00 a.m. in the Thomas House basement hall, immediately following the 8:45 Mass. Coffee and doughnuts will be served in the basement.

Of particular note is the contest between Proposition 62 (abolish the death penalty, replacing it with life sentence without possibility of parole) and Proposition 66 (speed up the delivery of the death penalty).

A quick reference right up front: **YES ON 62, NO ON 66.** The League of Women Voters of California has taken a position in support of Proposition 62, as have the Catholic bishops of California.

Come Oct. 2 to understand the difference. The LWV representative will present the 17 CA ballot propositions as time allows.

Altar enhancement:

Have you noticed the new look of the statues of Mary and Joseph above the side altars? Instead of the figures seemingly floating in the air, each statue is now placed in a beautifully crafted frame which

echoes the architectural details of the main altar.

The frames are the handiwork of Jan Dedek, our STA master builder and member of the STA Interior Committee. Jan's art-

istry and skill have been applied to many aspects of the renovation of our church:

tables, trim for pew panels, cabinetry, glassed wall display cabinet, and less obvious essentials like vent grills and gates for the stairway up to the choir loft.

Church stairs & exterior painting:

The Building & Equipment Maintenance Committee continues to review plans for replacing the front stairs of STA as well as for painting the exterior of the church building. Suggested surface treatments of the stairs have included concrete, Connecticut bluestone, and granite. Also needing replacement are the foyer tiles at the top of the stairs. Decisions have to be made by the responsible committees—a slow process!
